

HEY AUDIO STUDENTS!

Don't Miss The Next
Audio Engineering Society Meeting!

Wednesday, April 9th
8:30-10:00pm @ RTV 281

AEA Ribbon Microphone Presentation

! FREE PIZZA !

Wes Dooley, the renowned owner of AEA (Audio Engineering Associates) and elite ribbon microphone designer will be connecting with us via video chat.

Wes Dooley is not only one of the leading microphone designers in the world, but also has extensive experience in Audio Forensics, has authored several stereo recording system publications, and is an active member with AES worldwide. We are delighted to have him with us, so don't miss this extremely rare event!
